CHAIRMAN'S REPORT

It is my pleasure to present to you the Yamba Surf Lifesaving Club Annual Report for season 2022/23 - another season where the club can proudly say that there were no lives lost on Main Beach during patrol hours.

At Board level, there were no changes for this season, with all existing members re-elected unopposed at the August AGM. A highlight of the AGM was the awarding of Life Membership to former Lifesaving Director James Ryan, and Associate Life Membership was awarded to club Registrar, Cathy Dougherty. Both have made enormous contributions to the club over extended periods of time and were extremely deserving of this honor.

The season was far less disrupted than the previous 3 years but still had its challenges. Delays in repairs to Marine Parade impacted the start of the season as well as our ability to generate revenue from function hire. Thankfully, the road was fixed by late October. The gate at the top of the road has been a welcome addition, helping to avoid a lot of the traffic congestion that had been a problem in recent years, particularly around holiday times. Council have indicated that the repairs are a temporary fix and they intend to undertake more work on the road but the timing of this is yet to be determined.

Membership was once again strong with 515 financial members. A slight increase was seen in both the nippers and active member categories which was most pleasing. The hard work done over recent years focusing on junior development is starting to bear fruit. We have seen larger groups going through the Resuscitation and Surf Rescue Certificates this season which augers well for our patrols in future years. I must say a huge thank you to Education Director, Jill Ennever and all the trainers and assessors who have helped get so many members through awards again this year. One of the biggest challenges in this area is finding people to help with training. Many of our current trainers and assessors have been doing so for a long time and are stepping away. For the club to continue to grow we do need more people to get involved in this side of the club. So if you are keen to learn more about how you can assist, please reach out to Jill.

Our patrols were very strong again this season with many new faces amongst the seasoned veterans. Thanks to Lifesaving Director Frankie Aird for her efforts. She has looked at quite a few different ways to recruit and retain patrolling members and this has no doubt helped maintain our numbers. As the number of people visiting Yamba has increased, the demand on patrols has also risen. One area that the club is very concerned about is the lack of Council employed lifeguards on Main Beach outside of the holiday periods. This is something we have expressed to Clarence Valley Council who are responsible for funding these services. We will continue to talk with them and hope that more services will be provided sooner rather than later.

On the competition front it has been another successful season. The club hosted several events throughout the season.

The first round of the North Coast Boat Series in October was held at Turners

Beach on day 1 in difficult surf conditions and moved to the calm waters of Whiting Beach for day 2. Well done to the boat committee and water safety support for the organization of the weekend.

The club's reputation for hosting a great surf carnival was further reinforced with a nipper carnival at Main Beach on November 20th. Testing surf conditions forced some events to be moved to calmer conditions at Pippi Beach. The large number of members assisting with the running of this carnival was very pleasing to see. It is always great to hear the feedback from other clubs about how they love coming to the Yamba Carnival every year.

The Yamba Ocean Swims were held on January 2nd. Our largest fields in many years, with around 400 participants, saw the event relocated to Whiting Beach, yet again a victim of mother nature. Despite this, the event was a major success for the club and financially continues to be a significant contributor to the club's profitability. As always, the large workforce of volunteers was one of the most pleasing parts of this popular community event.

The Brunswick Masters carnival was again hosted by Yamba in February with many Qld clubs making the trip down south to us. A good turn-out of Yamba members saw the club take out the pointscore, yet again in some testing surf conditions.

The club was well represented at Branch, Country and State carnivals this season with our nippers and masters leading the way. Our Country Titles team of 75 headed to Cape Hawke Surf Club in Forster and achieved a top 5 finish for the club, our best result in many years.

At the State Titles at Manly, our nippers came home with 5 medals, the most successful outcome since 1997. Among the results were the club's first ever state medals in the surf teams and board relay events courtesy of the Under 10 male squad of Ziggy O'Brien, Clarry Dougherty, Leo Dean and Leo South. Our Masters also starred with a healthy swag of medals from the small contingent competing with Jeunesse Meldrum collecting 2 gold in the surf race and rescue tube events at her first ever State Titles.

The Yamba Boilers boat crew won silver at the Qld State Titles and along with Pete Rheinberger, made the long journey to Perth for Aussies. It was worth their while, with the ladies bringing home silver and Pete picking up gold and silver medals in Board Riding and a close 4th in his Board Race.

With Covid restrictions eased, the club was able get our bar opened and Friday night social drinks returned. Our function hire saw a substantial increase on previous seasons. Revenue from this has lifted dramatically and is now above pre-Covid levels with forward bookings looking strong.

The club Annual Presentation Dinner in June was once again a highlight of the season as we looked back and reflected on all the great achievements of our members. Special mention must be made to our major award winners - Lifesaver of the Year, Trent Stainlay and Club Person of the Year, Roger Varcoe. Both Trent and Roger have been major contributors to the club for many years and were very deserving of this recognition.

The clubhouse has undergone a face lift in the recent off-season with painting both inside and out and will have a fresh new look for the start of the 23/24 season. There are also several maintenance and renovation projects in the planning phase as we look to ensure our clubhouse meets the demands of the current times.

Nipper President James Forbes stood down from his Junior Activities position at the AGM in May and we thank him for his efforts over recent years. He has done a great job in growing the juniors and restoring Yamba as a competitive force. Fortunately, he won't be lost to us and is keen to help develop our youth members as they transition into the senior club and onto patrols.

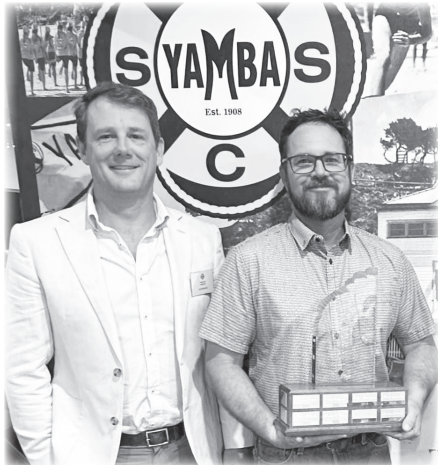

The club cannot continue to operate without the support of our many sponsors and donors and we thank them all very much for their contributions to Yamba SLSC. Particular thanks is due to the 'Anonymous Donor' for the continued support of our club, and also to Surf Lifesaving NSW, the Clarence Valley Council, NSW State Government and the Federal Government, all of whom provide funding to ensure the current and future viability of the club. Our band of volunteers who man the raffle table at the Golf Club each Saturday night are also valued for the contribution they make to the club.

In closing, I would like to acknowledge the efforts of my fellow Board members for so much of the behind the scenes work which goes into running the club. Thanks also to the Far North Coast Branch Executive and all our amazing volunteers who help to make this club a great one to be a part of, and finally to my family for their ongoing support and understanding.

I look forward to seeing the hard work of recent years continue in the season ahead with more successes and a growing and involved membership.

ADMINISTRATION REPORT

Season 2022/23 has come to an end and as I reflect on the past twelve months, I am reminded of why I am so proud of Yamba SLSC. Our club has demonstrated its commitment to excellence, fostered a strong sense of community, and made significant strides in improving our facilities and services.

Yamba SLSC prides itself on maintaining an excellent club culture that encourages camaraderie, dedication, and professionalism among our members. It is truly a rewarding position to be a part of this organisation, as we observe the positive impact our activities have on the community. In my role I witness the commitment and passion displayed by our volunteer members whenever they are called upon to contribute; whether that be to club social events, major fundraisers, patrol hours, cleaning, or emergency call outs.

This season marked our first year back after the challenges posed by the COVID-19 pandemic. Despite the difficulties, we successfully reopened the clubhouse for social events, which serves as a major fundraiser for our club. This achievement is a testament to the resilience and adaptability of our team, as well as the support and enthusiasm from our members. The return of these events has not only provided crucial financial support but also reaffirmed the importance of community engagement and connection within our club. Many thanks goes to Sally Gilbert and Sue-Ellen Hyne in their roles - who manage this side of our business beautifully.

Looking ahead to the next season, the Club has exciting plans for further growth and improvement. One notable project in the pipeline is the launch of an updated website, which will enhance our online presence and provide a more user-friendly platform for both current and prospective members.

Additionally, we are exploring the creation of a new merchandise website that will cater specifically to our valued members. This initiative aims to provide a seamless and convenient option for members to be able to access new merchandise by offering a small range of quality products that showcase our club's identity and spirit. A very big thanks to Helen Morris for facilitating this endeavour.

As most of you are aware the club house is undergoing a fresh coat of paint in preparation for the upcoming season. This enhancement not only improves the aesthetic appeal but also reinforces our commitment to maintaining a welcoming and well-maintained facility for our members and visitors.

Lastly, I would like to express my gratitude to the rest of the Board and administration staff. The success of the Yamba Surf Life Saving Club would not be possible without their unwavering support and collaborative efforts. Their dedication and commitment to the club's mission have been instrumental in achieving our goals and ensuring the smooth operation of our organisation. Together, we are trying to create an environment where our members can thrive and make a positive impact on the community. With the continued support of our dedicated Board and administration staff, we are confident in our ability to make the upcoming season even more memorable and impactful for our members and the community we serve.

LIFE SAVING REPORT

What a magical season 2022/23 has been for our patrolling members. The sun was shining for a whopping 389 out of 414 patrol shifts, making our season special for all the right reasons. We spent a total of 4812.58hrs keeping the beautiful Main Beach safe, performing 353 preventative measures, 4 rescues and providing 18 first aid treatments. This highlights the important work our patrolling members do each and every day through preventative action.

The season started off with 2 skills maintenance sessions on September 11th and October 29th. This captured a large percentage of our patrolling members early on, making the large amount of paper work more manageable for our fabulous team of assessors. Thank you to everyone who took the time to attend these sessions. This year our members' practical components included administration of an Anapen and spinal management. These days ran smoothly thanks to the amazing Jill Ennever who worked tirelessly behind the scene.

On top of their patrol roster commitments, our amazing patrol members volunteered their time to provide first aid and water safety at our club run and community events. These included the Yamba Nippers Surf Carnival, Yamba triathlon, Yamba Ocean Swims and the Brunswick Masters Carnival at Yamba. These events would not have been possible without this club support, and a massive thank you to all who put up their hands to help on these days.

I'm sure if you have frequented the club at all this season you would have seen our new IRB captain Trent Stainlay buzzing around. Trent is the very worthy recipient of our Life Saver of the Year award for 2022/23. He attends to IRB repairs and fuel shortages at the drop of a hat - this is despite living and working an hour's drive from the club house. Trent travelled 5 hours down to Forster for the Country Titles this year - this ensured that Yamba was able to enter a large team having met the water safety requirements for the competitors. Trent and his son Ben, carried out 5 IRB shifts over 3 days for the club. Trent has gone above and beyond this season as IRB captain and patrol captain, clocking a huge 106.5 patrol hours. All too often Trent was the first person to put his hand up to substitute for another patrol member. Nothing is ever too hard for Trent and he always dons a "can do" attitude. His enthusiasm and energy is contagious, motivating us all to do more in the life saving space.

A special mention goes out to Celeste and Mark Neander. As experienced UAV pilots, Mark and Celeste fly drones across 2 patrol teams. This is double the commitment of other patrol members. Despite the Yamba UAV service being grounded for a number of weeks this season, Celeste and Mark patrolled 80 and 92hrs respectively. And without a doubt I'm sure there were extra hours spent behind the scenes along with Rob Becker, ensuring the drones were safe to fly and the UAV team continued to deliver an invaluable service on Main Beach. Thank you both for your incredible effort this season, your hard work did not go unnoticed.

The patrol members once again were treated to a complimentary meal from The Kiosk each patrol. The cost of these meals was covered by the club and the amazing André Risk. So please don't forget to thank him next time you're down there. I hope this ongoing small gesture by the club shows just how much we appreciate the time, energy and effort you all put in during the patrol season. Thank you!

This season our Patrol Award recipients received a really cool (if I do say so myself) limited edition Frank Green cup with the club log embossed on the front. I hope these cups are put to good use and help reduce the amount of waste we produce as a club on disposable coffee cups.

I know I sound like a broken record but thank you, thank you, thank you, to each and every patrol member who volunteered not just their time this season, but consistently their enthusiasm, effort and energy to keep our beloved Main Beach safe for everyone. I look forward to doing it all again next season!

EDUCATION REPORT

The Education team 2022/23 - Linda Horton, Alan Schofield, Jim Dougherty, Bill Onslow, Kim Morgans, Heather Morris, Kieran Lynch, Rowee Obst - Thank you all.

The past season at Yamba SLSC has seen some commendable training and education outcomes.

At the start of the season, three well attended Skills Maintenance sessions were held for our Active, Active Reserve and Award members. We also saw 3 experienced past members who held Bronze Medallions return to club activities after completing their 'In-depth' Proficiency.

During the past season, two Bronze squads were run with 23 members gaining their Bronze Medallion. These included young members stepping up from the Surf Rescue Certificate and several Nipper parents keen to do water safety and patrol duties. It was great to see new skills learnt and the capabilities of club members develop.

Six of our 13year olds gained their Surf Rescue Certificate award - they are now learning the ropes as members of patrol teams.

Our U/12 and U/13 Nippers worked well together with 13 being awarded their Resuscitation Certificate. Thank you to the Nipper parents who assisted with this group.

IRB training saw 10 members gain the IRB Crew Certificate and 2 crewies advance to the IRB Driver award. Thank you to IRB Trainer Bill Onslow who is now retiring from this role.

Two of our experienced Patrol Captains, Pierre de Billot and Pat Ridgway, gained the Rescue Water Craft Operator award. You will see them patrolling on the jet ski around the local beaches.

Finally, we were fortunate to have 2 very capable probationary trainers this past season working with squads. One of these, Kieran Lynch, has since gone on to gain his 'Training Officer - Bronze Medallion' credential.

Training goes ahead with the work of not just our trainers and assessors but also our 'content experts'. Thank you to those who've pitched in to help with sessions in radio, first aid, surf rescue and board skills.

The winter 'off season' brings the return of Branch-run First Aid and Advanced Resuscitation Technique courses being offered at our club.

The first Bronze Medallion squad of the new season will commence in August. This format worked well in the 22/23 season in getting newly qualified Bronze members ready for the start of the new patrol season.

Looking forward to seeing you at training

SURF SPORTS REPORT

The club enjoyed another strong season in the competition arena with some exceptional results at Country, State and Australian Titles. It was also a busy season for hosting events on our home beaches with a North Coast Boat Series 2 day carnival in October, Branch nipper carnival in November, Masters carnival in February and our annual Ocean Swim Day in January. Thanks to all those members who came forward to help with the running of these various events especially our IRB crews led by Trent Stainlay.

The beach access road was still closed from the March floods when the season commenced and the boat carnival was held at Turners beach on the Saturday in challenging surf conditions before being moved to the sheltered waters of Whiting Beach on the Sunday. Yamba only fielded the one boat crew but there was strong participation from the other North Coast clubs and visiting Queensland clubs.

Marine Parade was finally re-opened in early November just in time for the Branch Nippers Carnival on November 20. A choppy northerly swell in the early part of a very hot day made for difficult surf conditions and the younger age groups were moved to the protected Pippi Beach corner for their water events. Along with the 9 Branch clubs there were strong contingents from Woolgoolga and Port Macquarie clubs ensuring big fields in most events. Fortunately the wind change to the west around lunch time, flattened the surf out but did not bring any relief from the heat. A strong work force of club members ensured that we once again ran the best carnival in the Branch!

The FNC Branch Titles were held over two days at Byron Bay in December in ideal surf conditions. The club was represented by a big team with good results in the younger nippers and masters events. Yamba competitors won 32 events and thanks to strong participation over the two days we finished 3rd in the pointscore behind Cudgen and Byron Bay.

A big team of 75 competitors travelled to Foster for the NSW Country Titles in late January. Outstanding performances again from our younger nippers and masters competitors resulted in the club finishing 5th in the carnival pointscore – our best result since the junior and senior country carnivals were joined together over 20 years ago. The Yamba Under 9s and 10s in particular dominated their water events winning surf teams, board relays and Buchanan Relay. The club also finished a close 3rd in the All Age Board Relay (U14s to U9s) showing the depth that we have in board paddling across the age groups.

The NSW State Titles were held at Queenscliff again and it was pleasing to get through the whole event after last years' washout. Our small team of juniors had their best results for many years picking up 2 silver and 3 bronze medals in water events in the 9s, 10s and 12 years age groups. The small Masters team went even better winning 2 gold, 2 silver and 5 bronze medals with all 6 competitors coming home with at least one medal. Jeunesse Meldrum was outstanding in her first State Titles winning both the surf race and rescue tube race in the 40/44 years female division.

The Australian Titles were held at Scarborough WA and Masters stalwart Peter

Rheinberger plus the Boilers boat crew made the long trip to Perth. Peter had been forced to miss both Country and State Titles with a serious back injury but he made amends at the Aussies winning gold and silver medals in the Over 60 years board riding events. And despite only being half fit he also finished a close 4th in the 60/64 years board race final and 4th in the 2km swim.

The Boilers crew won the silver medal at Aussies for the second consecutive year in the over 180 years Female Boat race in very flat conditions finishing behind the Batemans Bay crew. Earlier in the season they had fished 2nd at the Queensland State Titles behind Currumbin. Before that they won gold at the Country Titles and also took out both the masters division and reserve division of the North Coast Boat Series to top off another very successful season of rowing.

For the second consecutive year we hosted the Brunswick Masters carnival at Yamba in early February as Brunswick club was unable to run the event on their beach. The carnival was conducted in testing 2 metre surf with 18 clubs represented from the Sunshine Coast down to Newcastle. A good turnout of more than 20 Yamba Masters competitors saw us win the pointscore again with 100 points from North Burleigh 90 and Mermaid Beach on 53. Thanks to our water safety personnel who did a great job in tricky conditions.

The weekly handicap surf race was badly effected by rough surf conditions with numerous swims being called off. It was pleasing to see the strong participation by the older nippers with 12 year old Poppy Kemp finishing the season very strongly to take out the season's overall pointscore for the Carl Schaeffer Trophy. The monthly pointscore winners were:

October/November – Willow Rowney
December – Mick Moule
January – Felix Forbes

February/March – Poppy Kemp
April – Poppy Kemp

CLUB CHAMPIONSHIPS

We had two attempts to hold the club championships in the latter part of the season but just like last year, rough surf forced us to abandon the event.

OCEAN SWIMS DAY

The Ocean Swims Day was held on Monday 2nd January and for the second consecutive year rough seas forced us to move the event to Whiting Beach inside the river mouth. Despite this a near record 397 entrants lined up for the 700 metre and 2,000 metre swims in calm conditions.

The men's field was very strong with Australian Open Water representative Bailey Armstrong from the Sunshine Coast winning both the 700 and 2,000 metre races from two former winners, Lachlan Walker and Ky Kinsella. The women's 2,000 metre race was won by Bailey's sister Madisyn Armstrong while the 700 metre swim went to last year's winner Millie Loughnan from Singapore.

Yamba club members who took out their age group divisions included Kirk Palmer, Jeunesse Meldrum and Judith King in the 700 metre race and Alan Dunne, David O'Brien and Jeunesse Meldrum in the 2,000 metre race.

A big thank you is due to the large club work force who handled the relocation of the event with ease, particularly Trent Stainlay and his IRB crews in setting courses and patrolling the swim area.

The day once again proved to be a great fundraiser for the club and thanks are due to our sponsors Clarence Valley Council, Pacific Hotel, Westlawn Finance & Insurance, Ray White Yamba, Belinda's Store, The Stella Motel, The Surf Hotel, Yamba Community Pool and Coopers Brewery. Their support enables us to cover the costs of running the event as well as providing prizes to the overall placegetters and winners across the age groups.

JUNIOR ACTIVITIES (NIPPERS') REPORT

2022/23 was an awesome season full of training, education, trips away competing, Nipper Sundays and a whole lot of beach fun. Yamba Nippers can look back and be proud to have been part of such a great summer of Surf Life Saving,

With membership continuing to be around the 140 Nippers in the 2022/23 season, we welcomed back existing members, but also welcomed new families with their younger members to the Nippers program this season. In line with expectations the younger age groups remain popular, while retention continues to steadily improve amongst older age groups.

The 2022/23 conditions were favourable allowing 15 weekends of Nipper activities through the season including the programmed Sunday Nipper sessions, the Junior club championships and the full Carnival schedule for the season.

At Carnivals the Yamba Juniors attendance was again strong with outstanding team performances, culminating with numerous Branch champions across the age groups and a team of 12 juniors at the NSW State titles achieving unprecedented success at the highest junior level. I must also express my thanks to the 'Nipper parent masters brigade' who answered the call and also competed in large numbers in the Yamba club cap.

Education and training are an important part of the Nipper program. In the 22/23 season, thanks to the club's dedicated training department and Age Managers, all the Junior awards were attained by all.

Nippers 2022/23 season's success is wholly due to the commitment and support of our community and all the volunteers, those new and old to Surf Life Saving helping deliver a fun, educational and, for some, competitive Nipper program. The Yamba community continues to embrace the Nipper program, leading to both young and old becoming members of the Yamba SLSC. Starting early season with training, onto mid-week sessions, and then every summer weekend at Nipper Sundays or when competing at home and away, Yamba is able to provide volunteers assisting in every role sharing. Thank you to all the volunteers for making this Yamba Nippers season such a wonderful experience for all involved.

I must thank also all our generous Yamba Nippers Sponsors who are so essential to the successful operation of the Junior Activities. Our Nippers sponsors assist the club with funding all equipment from clothing and the weekly BBQ and most noticeably and much appreciated assistance in purchasing boards.

To finish I must thank to all the Yamba Nippers for the commitment, courage, and energy you bring to our club, while developing into Yamba's lifesavers of the future

Looking forward to seeing you all in the water and on the beach next season.

CLUBHOUSE REPORT

2022-23 season has come to an end, and it was great to see the buzz of members and community people around the clubhouse enjoying the Main Beach life.

Our major painting project has finally been completed, and the clubhouse looks vibrant again. Thank you to all involved in volunteering your time to allow this project to take place. 2022-23 season also saw the re-vamp of the upstairs foyer with a fantastic wall mural and a new glass display cabinet for all our club achievements to be proudly displayed.

The summer saw a great turnout at the open bar afternoon sundowners. Bar Manager, Sally Gilbert and her staff did a great job caring for our patrons and creating a wonderful atmosphere.

The coastal environment is never forgiving, and I would like to thank the Clubhouse committee of Brain Badgery, Bill Grainger and Mark Rice for always helping keep on top of the repairs and maintenance. It is a never-ending task, but we try our best to stay on top of things.

I hope everyone has a great break, and I look forward to seeing everyone back at the beach for the next season.

OUR PARTNERS

During the 2022-23 season, Yamba SLSC once again received generous assistance from various sources to enable vital life saving, education and maintenance work to be carried out. As a volunteer community service organisation, the club relies heavily on this valuable support from individuals, groups and Government.

The club's major sponsors at platinum, gold, silver and bronze levels are listed at the end of this Report – sincere thanks to these contributing businesses whose ongoing support is gratefully appreciated.

In addition, support has been received from –

- The Surf Life Saving Foundation – club share of SLS raffles - \$6,100 and
- The Anonymous Donor – a new IRB

Grants have also come from -

- Clarence Valley Council
- SLSA – Beach Safety Equipment Fund Grant (BSEF) - \$11,000 for lifesaving and education gear
- SLSNSW – Club Life Saving & Equipment Grant (CLEG) - \$2,250 for education/resus gear
- Yamba Bowlo Sports and Leisure Club – Club Grants program - \$4000 towards nipper boards

'Fee for service' activities were carried out by club volunteers resulting in the following donations being received from the Australian Lifeguard Service (\$2271), from SLSNSW - UAV Clubshare (\$550) and from NX Yamba Triathlon (\$1000).

Throughout the year other donations have been made for various reasons and in varying amounts. Thanks to all donors including Geoff Schaeffer, Melinda Goddard, David Goddard, Clarence 100, Yamba Bridge Club, Alex Commins, Martin Patricks, Joanna Jenkins, Mark Rice, Paul Smith, Catholic Ladies Group, Clubbies Prints, Neville Hooley, Michael Madden, Liz Cunninghame, Richies IGA and all collection tin donors at Yamba BP, the family Grocer, Yamba Newsagency and Yamba Liquor.

FINANCE REPORT

I am pleased to report that the 2023 season and financial year has delivered another financially stable result. I present the Financial Statements for year ended 30 April 2023 with the following commentary.

The Profit and Loss statement shows a loss of approximately \$9,767 as compared with a profit of \$9,675 for 2022 financial year. I note the loss includes a depreciation provision of \$43,699.

With the addback of non-cash expenses, the profit operated at \$33,932.

Continued efforts by committees and members of the club lead to good fundraising events and sponsorship outcomes. We have seen an increase in function activity which earlier in the financial year continued to be challenged by access. Club merchandise sales were well supported this year too. As always, great appreciation is shown to the sponsorship committee and members who donate their time towards fundraising and the ongoing maintenance of corporate sponsorships and donations.

We also thank those corporate sponsors, benefactors and organisations that support the financial viability of the club. Without this ongoing support, the clubs financial position and contribution to the community would be compromised.

The club Balance Sheet reflects a net asset position of approximately \$813,982 of which approximately \$319,942 is held in current assets.

In conclusion the club continues to be in a financial position that is fit for the future and well positioned to serve its membership base and community goals. The efforts of the Board and their commitment to financial viability and governance along with a supportive membership base will lead to continued positive results in the future.

Board of Directors' Report

Your Board members submit the financial statements of the Yamba Surf Life Savings Club for the financial year ended 30 April 2023. The complete Financial Statements are available on our website or at the Yamba Surf Life Saving Club Inc office.

In the opinion of the Board:

1. The Financial Statements give a true and fair view of the activities conducted by the club in the period.
2. The Financial Statements show a true and fair view of the financial results of fundraising appeals conducted during the year.
3. The accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations.
4. That monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations.
5. At the date of this report there are reasonable grounds to believe that the Club will be able to pay its debts when they fall due.

The statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

(Joe) Dougherty – Chairman of the Board
